

To All

I have to apologize for the tardiness of this report but it seems like there is not enough time in the days anymore.

We had our last meeting on September 12/2013. We had a few members present to discuss club business, but were missing a number of the elected chairs. Some of the items discussed was the arrival of the new trap machine ordered by the club last spring. We are going to try and organize some of the trap shooters on a weekend to get it installed. The club has not heard any news on the fall pheasant release although it is rumoured that ACA and Upland Birds of Alberta are going to continue with the release.

The dates for our casino in 2014 will be February 4th & 5th . We will need volunteers to work these dates and will be posting information in the New Year.

Our annual pheasant diner at the Carsland hall has been set for October 26th. Anybody requiring tickets please contact myself Clint LaRiviere at 403-901-5715, Mike Vanvertagem at 403-650-0497 or stop by Olie's Quick Lube and purchase a ticket there. If you are able to help we will be setting up the hall in Carsland Friday night October 25th starting at 7 pm. If you have a silent auction item or would like to help with getting auction items please contact Mike VanVertagem.

Our next meeting will be at 7:30 Thursday October 10th at the club house. We will be discussing what is still needed for the diner. If you can help out please attend the meeting.

Unfortunately the Trap shooting is done for the year due to the short days. Thanks to all who came out ; especially all the youth shooters who came this year. We had a great time!

Clint LaRiviere
